

U.S.S.N. 10,810,912

Remarks

Thorough examination by the Examiner is noted and appreciated.

Examiner has indicated that claims 4, 9, 13-20 are objected to but would be allowable if rewritten in independent form including all the limitations of the base claims and any intervening claims. as well as objections and rejections under Section 112.

The claims have been amended to overcome Examiner objections and rejections under 112 to achieve indicated allowable subject matter.

Support for the amended claims is found in the previously presented claims.

No new matter has been added.
